

## YCHM-1.2 Rechargeable Tuberrail Cutting Machine

### General

1. Lithium ion wireless, all scenario operation
2. Slippery precisioncutting,higher quality incision
3. The slide type running trajectory is stable anddoes not deviate, with high cutting accuracyand a smooth cut without burrs or deformation

### Technical data

|               |  |
|---------------|--|
| Product Model | YCHM-1.2   |
| Cutting range | Cutting of C45 rails for iron/aluminum below 1.2mm |
| Weight        | 0.88kg   |
